

NEWS RELEASE

For Immediate Release

The City of Winnipeg Golf Courses sign on with Telenium's DriveTheBall.com Tee Time Reservation System.

Telenium Inc. announces March 2009 – The City of Winnipeg Golf Courses; Crescent Drive Golf Course, Kildonan Park Golf Course, and Windsor Park Golf Course have selected Telenium's DriveTheBall.com Tee Time Reservation system. The DriveTheBall.com reservation system allows golfers to book tee times online or by telephone, 24 hours a day, seven days a week.

“Our Tee Time Reservation system will help The City of Winnipeg courses manage time and help the staff focus on their customers,” says Ray Senez, President of Telenium Inc. “It is a great solution that helps with efficiency and adds convenience to these facilities.”

The DriveTheBall.com Tee Time Reservation system requires no software installation and is available to golf facilities for a small monthly fee. It eases the administrative tasks a pro shop employee has to juggle on a day to day basis, including tee time confirmations, cancellations, and incoming phone calls. Walk ups will still be welcome and you can book same day on the internet or by telephone.

Book your Tee Time Online or by calling a “311” operator.

The City of Winnipeg will offer online bookings at: www.winnipeg.ca/PPD/golf.stm or phone bookings via a “311 operator” for both the 18 hole courses and the 9 hole course. You will be able to golf when you want, if one of The City of Winnipeg courses is busy you can simply check out the other two courses availability. The “311” launch will take place early in 2009. By calling “311” you may book your tee times over the phone in spring of 2009, with many options and availabilities that match our online booking system features. You may also book them yourself online at DriveTheBall.com.

A working demonstration of the DriveTheBall.com Tee Time Reservation system is available at www.DriveTheBall.com: simply select the Demo page and under the Tee Time Reservation Demo choose either the “Public or Pro Shop” button.

Telenium Inc. is a Winnipeg-based telecommunications company specializing in Interactive Voice Response (IVR) Systems, Corporate Web Hosting, Data Networking, Digital Cellular Technologies, and Integrated Voice and Web Applications.

NEWS RELEASE

For Immediate Release

Kildonan Park Golf Course - 2021 Main Street, Winnipeg, Manitoba.

This 18 hole course was established in 1921, Kildonan Park golf course is Winnipeg's oldest municipal golf course. Situated on the banks of the Red River, it features fairways and greens in superb condition, with lush vegetation that only time can bestow on a golf course. Players find this medium length course quite challenging, with four of five par threes playing over 200 yards. The other par 3 is a distinctive and memorable train bridge hole found nowhere else in the world. Lessons are available from a CPGA Golf Professional and tee time reservations can be made 3 days in advance.

Windsor Park Golf Course - 10 Des Meurons Street, Winnipeg, Manitoba.

This 18 hole course is a well established golf course, located in the heart of St. Boniface. Lying along the winding Seine River, Windsor Park golf course challenges golfers to keep the ball in play as the river crosses or runs laterally on eight of eighteen holes. Given the demands of this course, golfers of all abilities will enjoy the sporty challenge of this scenic course. Thickly treed and rolling terrain makes a round of golf both visually appealing and a memorable experience.

Crescent Drive Golf Course - 781 Crescent Drive, Winnipeg, Manitoba.

This 9 hole par 3 golf course, Crescent Drive golf course offers a true challenge to players of all skill levels. Experienced golfers find this tricky course a true challenge to break par. Despite its difficulty, Crescent Drive is a favorite place among senior players and for beginners just learning the game. The entire course is well treed providing a challenge to place a tee shot on the green on many holes.
